About the area; Altea

Very much a sought after and wealthy part of the Costa Blanca. Its seafront esplanade is lined with palm trees, restaurants and shops. The combination of a picturesque historic centre filled with boutiques and fabulous restaurants and a lively boardwalk make Altea a popular destination and a perfect town for both permanent living or investing. Altea is protected on the north by the Serra de Bèrnia mountains, creating an especially mild microclimate and the town is situated only a few KMS from the city of Benidorm and the bustling town of Calpe. Altea Hills is considered one of the premier residential locations in the region.
