TBB Sole Agency Listing

Detached villa on a large plot, situated in a nice quiet location to reform.

The property currently has two bedrooms, one bathroom, open plan kitchen and living areas, covered terrace and external seating areas.

The property is in need of updating but due to the size of the plot would be possible to extend, modernise and add extra terracing and a private pool. Currently you have the use of a communal pool. The property has a south west facing aspect.

The house is connected to mains drainage and is only a short drive into the centre of Moraira.

A well priced villa offering lots of possibilities.
