10 Bedrooms – 10 Bathrooms – Build 1300m² – Plot 55118m² – €3.500.000

A beautiful Traditional Spanish Estate consists of 3 individual properties and is located in a quiet area of the Benissa Costa and has beautiful views out towards the sea. The property is situated only 4.5KM from the beach and has a variety of bars, restaurants and supermarkets all within a short distance.

This beautiful unique estate was build in 1980 and is located in a unique location overlooking the sea from the top of the hill.

The heritage consists of three traditional fincas completely renovated in style. Two of them feature a stone façade and wood-beamed ceilings and are connected by a communal patio. These two fincas have a total of 764 m², distributed over five bedrooms, five bathrooms, living rooms, kitchens and verandas from which you can enjoy the sea views.

The fincas feature the traditional Mediterranean style that is so characteristic of the area where they are located. The third finca is situated above the lower properties, but with easy access with stairs from the other two. It is also a traditional Mediterranean finca, but in this case with a white façade.

The house has 538 m², five bedrooms and five bathrooms, as well as a living room, kitchen and terraces with fantastic views of the sea and mountains. Next to the house you will find a pond and a lush native garden. Perfect for a large family or as a charming rustic hotel.
