5 Bedrooms – 5 Bathrooms – Build 420m² – Plot 1350m² – €3.200.000

This luxury sea view villa in Javea is currently under construction and located in one of the sought after areas, boasting truly beautiful views over the sea and the mountains. The property will be finished in a modern style, with top quality construction methods and due to the clever design will enjoy spectacular views from all over the house.

The property is located on the south side of Javea and will enjoy sun all day which is especially important for year round living. Located close to the old town of Javea and the bustling port area, both of which are only a few minutes drive by car the home is located close to all services whilst enjoying a quiet and peaceful location.

Both internally and externally the property will be finished and equipped with very modern and luxurious systems for both climate and lighting and will boast vast windows on each floor to flood the house with natural light. Connecting you to both the beautiful outdoors and the captivating view. In addition, all of the bedrooms will have the benefit of terraces.

The distribution of the property is as follows,

Upper floor: 3 spacious bedrooms with 2 bathrooms

Ground floor: a very spacious living room with high ceilings, A large kitchen with access to a great sized terrace area with plenty of space for outdoor seating, infinity pool of 5x12m and a summer kitchen.

Lower ground floor: large staircase, spacious fitness room / office or cinema room, 3 spacious double bedrooms with private bathroom.

The property will have a lift to all floors as well as an internal staircase. Externally the property will be finished with gardens and terracing and parking for two cars. You still have the options to choose the kitchens and the bathroom finishes.

The house can be delivered by mid 2024.
