About the area, Parcent (Jalon valley).

The Jalon Valley (also known as Vall de Pop) is situated inland from the coastal towns of Denia, Javea, Calpe and Moraira. The area attracts a more discerning visitor and resident who appreciates more of a country feel although the coast and it's beautiful beaches are still only 30 minutes drive away.

The Jalon Valley has some of the best scenery in Spain. There are magnificent mountains which surround the plains of olive trees, orange groves, vineyards, raisins and almonds.

Peppered in the Jalon Valley are unspoilt villages including Alcalali, Jalon, Lliber and Parcent.
