A truly breathtaking location. First line beach front villa with the sandy beach and the blue of the Mediterranean sea as your back drop. The perfect place to sit back, relax and unwind

A Mediterranean style villa located in an idyllic setting, with sea views from the living room and terrace and direct access to the beach

If you are looking for the perfect getaway then Denia beach 2 has it all. A traditional villa sitting on the famous las Marinas beach with a host of bars and restaurants offering choices from traditional Valencian paella to 3 Michelin star show stopping master pieces. The villa has 3 bedrooms and 3 bathrooms, traditional style living and kitchen and fabulous outside areas. The beach is literally on the other side of your gate..... The property is in need of updating but has many possibilities and would make a great investment. It is located just 4km from the centre of Dénia

A wonderful investment property and the perfect place to create lasting summer memories.
